Clerk reading.

PRESIDENT: Senator Proud yields to Senator Lewis.  
Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, I have an amendment in lieu of that, of Senator Proud's agreement. The Assistant Clerk has it. Right there, Denny has it. Replaces the Proud amendment.

CLERK: Says in lieu of the Carpenter amendment.

SENATOR F. LEWIS: No. It's to amend the Carpenter amendment at that particular time.

CLERK: We don't have a Carpenter amendment.

SENATOR F. LEWIS: He just has it.

CLERK: Yeah, but that's--

SENATOR F. LEWIS: I'll wait until Senator Carpenter offers his and then I will add mine to it. That was what I thought the order was.

PRESIDENT: You out-shuffled us. That's not easy to do. Temporarily. Alright, Senator Proud.

CLERK: Mr. President, I understand that Senator Proud's motion can't get adopted till Senator Warner adopts his--

SENATOR PROUD: Excuse me, Mr. President, I'd just like my motions there withdrawn and Senator Lewis will handle any amendments to it.

PRESIDENT: Alright, are there any objections to the withdrawal of Senator Proud's motions pending on 582? Any objections? Hearing none, so ordered. They are withdrawn. Now, Senator Warner back to you then.

SENATOR WARNER: Okay, Mr. President, the--

PRESIDENT: Well, stand by I, he had his--Senator Warner, are you up for some reason on an amendment or--

SENATOR WARNER: I understand--Mr. President--

PRESIDENT: --Senator Clark's motion is next on this.

SENATOR WARNER: My understanding, Mr. President, we need the amendment I have first, in order that all these other ones that are proposed can amend to it.

PRESIDENT: Beautiful. Stand by.

CLERK: Mr. President, the second amendment that I have or the next amendment is an amendment by Senator Clark to amend the Proud amendment which has been withdrawn which I assume this would properly be withdrawn.

PRESIDENT: Alright, Senator Clark, Senator Clark yields to Senator Warner which is now the Chair's understanding that Senator Warner's motion is the first one that's needed in order to precede all others here. I have been accused at times like this of mentioning that we will now try to rethread the eye of the needle. Somebody suggested once that I mentioned that we tried to rethread the eye of the pin. We may be against that. Chair recognizes Senator Warner.
